## How to Use The World Catalog (WorldCat)

World Catalog is a world-wide catalog of books and materials for your use.

## Accessing WorldCat

To get to World Catalog, start on the Benner Library homepage at library.olivet.edu. Under the Books & Media tab, click on World Catalog.

Once in WorldCat, type your search terms in the first search box. In the dropdown menu, you can search by author, ISBN, ISSN, title, and many more.

If you are searching for a textbook, it is unlikely that you will be able to get a book that only has a few copies available worldwide. If the textbook that you are interested in is available in many libraries worldwide, there is a good chance that you will be able to obtain a copy of that book.
